INTRODUCTION

This Master Services Agreement (“MSA”) sets out the general legal framework governing the resale, commercial facilitation, provision and support of technology products and services by Forward Foundry Information Technology Consultants Co. L.L.C. (“Forward Foundry”).

This MSA is intended to operate as a standing legal agreement and applies where referenced in, incorporated into, or accepted through a Product Order Form (“POF”), quotation, order document, proposal, renewal document, statement of work or other commercial document issued by Forward Foundry.

By executing a Product Order Form or other commercial document referencing this MSA, the applicable customer acknowledges and agrees that this MSA forms part of and governs the relationship between the parties together with any applicable vendor agreements, including End User Licence Agreements (“EULAs”), Service Level Agreements (“SLAs”), Master Cloud Agreements (“MCAs”) and other vendor documentation.

The specific customer details, Technology, quantities, commercial terms, services, implementation requirements and any order-specific obligations shall be set out in the applicable Product Order Form.

Where the Technology is provided by a third-party vendor, the applicable vendor agreements, including any EULA, SLA, MCA or other vendor documentation, shall apply directly between the Customer and the relevant vendor and shall govern the Customer’s use, licensing, operation, performance and support of the Technology. Forward Foundry acts solely as a reseller, commercial transaction partner and technology facilitator unless otherwise expressly agreed in writing.

Except to the extent expressly agreed in writing or expressly passed through from the applicable vendor, Forward Foundry does not assume responsibility for vendor product obligations, warranties, service commitments, performance undertakings or liabilities arising under the applicable vendor agreements.

8.4 If the Customer fails to provide a compliant PO at the time of signature, or issues a PO containing conflicting or incomplete terms, the Company shall be entitled to invoice the Customer based on the executed POF, and such invoice shall be valid and payable in accordance with this Agreement.

9. Intellectual property rights

9.1 Vendor Technology. The Customer acknowledges that all Intellectual Property Rights in the Technology are and shall remain the property of the applicable vendor or its licensors. No ownership rights are transferred to the Customer under this Agreement or any Product Order Form ("POF").

- (a) The Company warrants that it is authorised by the vendor to resell the Technology and to grant the rights set out in this Agreement.
- (b) The Customer warrants that its receipt and use of the Technology, and any Customer Materials it provides, will not infringe the rights of any third Party.

9.4 The Customer shall indemnify the Company against all reasonable liabilities, costs, expenses, damages and losses (including reasonable legal fees) suffered or incurred by the Company arising out of or in connection with any claim brought against the Company in respect of:

- (a) the Customer Materials; or

- (b) any Third Party Materials provided by the Customer, for actual or alleged infringement of a third Party's Intellectual Property Rights.

For the avoidance of doubt, this indemnity does not extend to the Customer's use of the Technology itself, which shall be governed exclusively by the applicable vendor End User Licence Agreement ("EULA").

10. Compliance with laws and policies

In performing its obligations under this agreement, both Parties shall comply with the Applicable Laws.

11. Data protection

11.1 The Customer consents to, (and shall procure all required consents, from its personnel, representatives and agents, in respect of) all actions taken by the Company in connection with the processing of Company Personal Data, provided these are in compliance with the then-current version of the Company's privacy policy available at www.forwardfoundry.io/privacypolicy ("**Privacy Policy**"). In the event of any inconsistency or conflict between the terms of the Privacy Policy and this agreement, the Privacy Policy will take precedence.

11.2 Without prejudice to the generality of clause 11.2, the Customer will ensure that it has all necessary appropriate consents and notices in place to enable lawful transfer of the Company Personal Data and Customer Personal Data to the Company and lawful collection of the same by the Company for the duration and purposes of this agreement.

12. Confidentiality

12.1 Each Party undertakes that it shall not at any time during this agreement, and for a period of five years after termination or expiry of this agreement, disclose to any person any confidential information concerning the business, affairs, Customers, clients or Company's of the other Party or of any member of the group of companies to which the other Party belongs, except as permitted by clause 12.2(a).

12.2 Each Party may disclose the other Party's confidential information:

- (a) to its employees, officers, representatives, contractors, subcontractors or advisers who need

to know such information for the purposes of exercising the Party's rights or carrying out its obligations under or in connection with this agreement. Each Party shall ensure that its employees, officers, representatives, contractors, subcontractors or advisers to whom it discloses the other Party's confidential information comply with this clause 12; and

- (b) as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.

12.3 No Party shall use the other Party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with this agreement.

13. Limitation of liability

13.1 Nothing in this Agreement shall limit or exclude either Party's liability for:

- (a) death or personal injury caused by its negligence;
- (b) fraud or fraudulent misrepresentation; or
- (c) any other liability which cannot be limited or excluded by applicable law.

13.3 Subject to clauses 12.1 and 12.2, the Company's total aggregate liability to the Customer for all claims arising under or in connection with this Agreement and any POF, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall not exceed an amount equal to the total Charges paid by the Customer under the relevant POF during the twelve (12) month period immediately preceding the event giving rise to the claim.

13.4 The Customer acknowledges that the Technology is provided subject to the terms of the applicable vendor End User Licence Agreement ("EULA"), and that the Company shall have no liability to the Customer in respect of the performance, availability or fitness for purpose of the

Technology, except as expressly set out in this Agreement.

14. Termination

14.1 Without affecting any other right or remedy available to it, either Party may terminate this agreement with immediate effect by giving written notice to the other Party if:

- (a) the other Party commits a material breach of any term of this agreement and (if such breach is remediable) fails to remedy that breach within a period of 14 days after being notified in writing to do so;

- (c) is the subject of an Insolvency Event;
- (d) the other Party suspends or ceases, or threatens to suspend or cease, carrying on all or a substantial part of its business; or
- (e) the other Party's financial position deteriorates so far as to reasonably justify the opinion that its ability to give effect to the terms of this agreement is in jeopardy.

14.2 Without affecting any other right or remedy available to it, the Company may terminate this agreement with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under this agreement on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment.

15. Obligations on termination and survival

15.1 Termination or expiry of this Agreement shall not affect any rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination or expiry, including the right to claim damages for any breach of this Agreement which existed at or before the date of termination or expiry.

15.2 Termination or expiry of this Agreement shall not, by itself, terminate any Product Order Form ("POF") then in effect. Each such POF shall continue until the expiry of its stated term, and the Parties shall remain bound by all obligations under that POF (including, without limitation, payment obligations) unless terminated earlier in accordance with its terms.

15.3 Upon termination of this Agreement for any reason, the Customer shall immediately pay to the

Company all outstanding unpaid invoices and interest and, in respect of Technology and/or services supplied but for which no invoice has been submitted, the Company may submit an invoice, which shall be payable by the Customer in accordance with Clause 7.

15.4 The termination or expiry of this Agreement shall not affect the continuation in force of any provision of this Agreement which, by its nature or express terms, is intended to survive termination or expiry. Such provisions shall include, without limitation, those relating to confidentiality, intellectual property, limitation of liability, indemnities, notices, governing law and jurisdiction.

15.5 The Customer shall, within a reasonable time, return or permanently delete any Company materials (including Forward Foundry Intellectual Property) provided under this Agreement, except for materials the Customer is expressly licensed to retain under a valid EULA or POF.

- (g) interruption or failure of utility service.

16.2 Provided it has complied with clause 16.3, if a Party is prevented, hindered or delayed in or from performing any of its obligations under this

agreement by a Force Majeure Event (**Affected Party**), the Affected Party shall not be in breach of this agreement or otherwise liable for any such failure or delay in the performance of such obligations. The time for performance of such obligations shall be extended accordingly.

16.3 The Affected Party shall:

- (a) as soon as reasonably practicable after the start of the Force Majeure Event but no later than 5 days from its start, notify the other Party in writing of the Force Majeure Event, the date on which it started, its likely or potential duration, and the effect of the Force Majeure Event on its ability to perform any of its obligations under the agreement; and
- (b) use all reasonable endeavours to mitigate the effect of the Force Majeure Event on the performance of its obligations.

16.4 If the Force Majeure Event prevents, hinders or delays the Affected Party's performance of its obligations for a continuous period of more than 60 days, the Party not affected by the Force Majeure Event may terminate this agreement by giving 4 weeks' written notice to the Affected Party.

17. Assignment and other dealings

17.1 The Customer shall not assign, transfer, mortgage, charge, subcontract, delegate, declare a trust over or deal in any other manner with any of its rights and obligations under this agreement.

17.2 The Company may at any time assign, mortgage, charge, delegate, declare a trust over or deal in any other manner with any or all of its rights under this agreement, provided that the Company gives prior written notice of such dealing to the Customer.

18. Variation

No variation of this agreement shall be effective unless it is in writing and signed by the Parties (or their authorised representatives).

19. Waiver

19.1 A waiver of any right or remedy under this agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy.

19.2 A failure or delay by a Party to exercise any right or remedy provided under this agreement or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy

provided under this agreement or by law shall prevent or restrict the further exercise of that or any other right or remedy.

20. Rights and remedies

The rights and remedies provided under this agreement are in addition to, and not exclusive of, any rights or remedies provided by law.

21. Severance

21.1 If any provision or part-provision of this agreement is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this agreement.

21.2 If any provision or part-provision of this agreement is deemed deleted under clause 21.1 the Parties shall negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the intended commercial result of the original provision.

22. Entire agreement

22.1 This Agreement constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

22.2 Each Party acknowledges and agrees that, in entering into this Agreement, it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in this Agreement.

22.3 Nothing in this Agreement shall limit or exclude any liability for fraud or fraudulent misrepresentation.

23. Conflict

If there is any inconsistency between the provisions of this Agreement and the provisions of a Product Order Form ("POF"), the provisions of the POF shall prevail in respect of the Technology or services specified in that POF. For the avoidance of doubt, the general legal terms and conditions of this Agreement (including confidentiality, intellectual property, limitation of liability, termination, and governing law) shall continue to apply unless expressly varied in the POF.

24. No partnership or agency

24.1 Nothing in this agreement is intended to, or shall be deemed to, establish any partnership or joint venture between any of the Parties, constitute any Party the agent of another Party, or authorise any Party to make or enter into any commitments for or on behalf of any other Party.

24.2 Each Party confirms it is acting on its own behalf and not for the benefit of any other person.

25. Third Party rights

25.1 Unless it expressly states otherwise, the Agreement does not give rise to any rights for a third Party to enforce any term of the Agreement.

25.2 The rights of the Parties to terminate, rescind or agree any variation, waiver or settlement under the Agreement are not subject to the consent of any other person.

For this purpose, "Business Hours" means 9.00 a.m. to 5.00 p.m. Monday to Friday on a day that is not a public holiday in the place of receipt.

26.3 This clause does not apply to the service of any proceedings or other documents in connection with any legal action, arbitration or other method of dispute resolution.
